

JING REPUBLIC
— 共 禾 京 品 —

COMPANY PROFILE

Jing Republic/Sapota was established in 1982, with passion and experience in ceramics. We are devoted to producing and exporting high quality ceramic products to customers worldwide. Our export markets include the US, Canada, Australia, the Middle East, and Asia, with an annual revenue of USD 120-150 million in the home goods sector.

High Quality Standard

We got 100+ in house quality controllers around our factories in each region of China, that includes Guangdong Chaozhou/Hunan/Fujian Dehua/Jiangsu Yixing/Hebei Tangshan. Each region have specialties in ceramic, and allows our company to provide a range of products.

Factory capacity in each region

We work with 15 major factories in China, Vietnam, and Thailand. Our factories in China are located in Yixing, Chaozhou, Hunan, Dehua, and Tangshan.

Hunan region factory

Factory amount: 2

Specialty: Stoneware, Decal, Reactive glaze, electroplated, solid color

Max Capacity (\$dollar amount) : USD 520 Million

Supply line :

Casting line- 30 lines
Automatic Jigger line: 3 lines
Press line: 3 lines
Tunnel kiln: 6 lines
Electronic kiln: 4 lines

Tangshan region factory

Factory amount: 3

Specialty: Bone china, New bone china, White stoneware, Solid color, Tw tone glaze, On glaze decal

Max Capacity (\$dollar amount) : USD 30 Million

Supply line :

Automatic Jigger line: 7 lines
Press line: 12 lines
High press line- 11 lines
Tunnel kiln: 23 lines
Electronic kiln: 8 lines

Yixing region factory

Factory amount: 1

Specialty: Pottery stoneware, White stoneware, Color stoneware, Oxidized glaze, Reactive glaze, Wax off, Silk print, Decal, in glaze decal

Max Capacity (\$dollar amount) : USD 43 Million

Supply line :

Casting line- 65 lines
High press line- 82 lines
Jigger line: 44 lines
Press line: 6 lines
Tunnel kiln: 5 lines
Cubic Kiln: 8 lines
Electronic kiln: 3 lines

Chaozhou region factory

Factory amount: 7

Specialty: Pottery stoneware, White stoneware, Terra Cotta, Stoneware, New bone China, Hand paint, decal, reactive glaze,matte glaze, solid color

Max Capacity (\$dollar amount) : USD 280 Million

Supply line :

Casting line- 420 lines
High press line- 280 lines
Jigger line: 180 lines
Press line: 18 lines
Tunnel kiln: 23 lines
Cubic Kiln: 16 lines
Electronic kiln: 20 lines

Hunan region factory

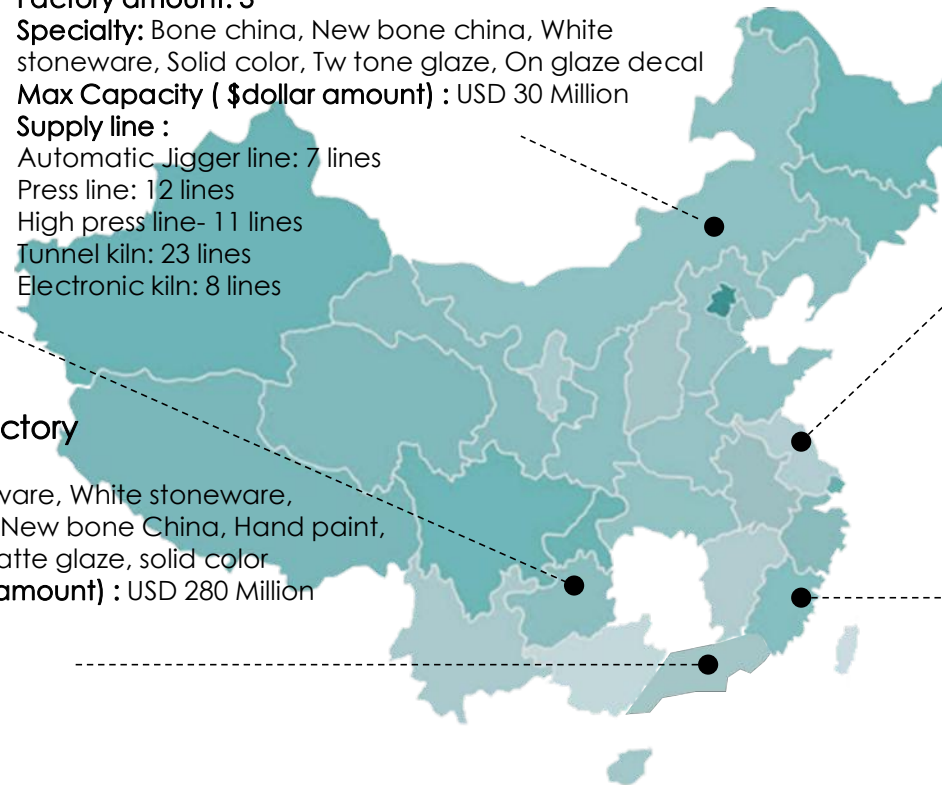

Factory amount: 2

Specialty: Stoneware, Decal, Reactive glaze, electroplated, solid color

Max Capacity (\$dollar amount) : USD 520 Million

Supply line :

Casting line- 30 lines
Automatic Jigger line: 3 lines
Press line: 3 lines
Tunnel kiln: 6 lines
Electronic kiln: 4 lines
